Sub: Ports - Minor Ports in the South Kanara District other than Mangalore - Administration of by the Port Officer, Mangalore - contribution payable to the Mangalore Port Trust.

Ref: G.O.Ms.No.1742 P.W. dt. 4.5.55.

I invite a reference to para 3 of the G.O.cited and also your letter No.2267/54-1 dated 26.11.1954 addressed to Government, In regard to the contribution of Rs.2735/- per annum, demanded by the Mangalore Port Trust for the services of the Port Officer on account of the administration of the sub ports other than Mangalore in the South Kanara District, I have to observe as follows:

The Port Officer, Mangalore only supervises the work of the sub ports in the South Kanara District, where there are departmental Port officials in charge. To assist the Port Officer in the day to day administration of the sub ports there is a skeleton staff consisting of one Port Conservator one L.D.C and one Peon stationed at Mangalore. The Port Officer is not in full additional charge of the Sub-ports to justify the demand for a contribution of 20% or 1/5 of his average pay and allowances on account of his work in connection with the administration of the sub ports. He tours the sub ports twice a year and the period of such tours extend for about a fortnight. As such it is obvious that the Port Officer has very little work to do on account of the sub ports. Also the total recei of the subports in South Kanara under the Minor Ports Fund and the concerned Landing and Shipping Funds are only about 12½% of the tota receipts of Mangalore Port.

In the circumstances stated above I consider a contribution of 12½% of the average pay and D.A. plus leave salary contribution of the Port Officer as very reasonable for payment from the State Minor Ports Fund on account of the services of the Port Officer Mangalore utilised for the administration of the six sub ports in th South Kanara District. I request your early remarks in the matter.
